

Our employees are our most valuable asset and we are looking for people who share our passion. Our business stands for safety, experience and efficiency in the executive aviation industry. Due to the constant growth of our aircraft fleet, we are looking permanently for new employees:

Flight Safety Officer (f/m)

part-time employment, based in Schwechat / Austria

Job Duties:

- Perform qualified duties as assigned by the Flight Safety Manager, among others:
- IJM's IQSMS (reporting system, flight risk assessment and root cause analysis)
- Identify safety hazards, risks, and promote the reduction or elimination of potentially hazardous conditions
- Draft safety recommendations

Profile and Skills:

- Knowledge and experience in the field of aviation safety
- Ability to treat received information confidentially
- Able to take additional responsibilities and tasks based on operational needs.
- Ability to work independently and with low supervision

Experience:

- Aviation safety qualifications and at least one former position as a Safety Officer or equivalent
- EASA ATP or CPL-IR, with at least 2000 hrs of IFR flights
- Previous experience with IQSMS software, risk management and mitigation is desirable

Work environment:

- IJM's office in Schwechat with possible home office duties. Travel may be required.

The offered monthly gross salary amount is negotiable, based on your knowledge and experience. If you are ready to join our team, we are looking forward to receiving your application. Candidates who meet our requirements are invited to send their application by email to Mrs. Yasmin Ewis, y.ewis@ijm.at
