Galley

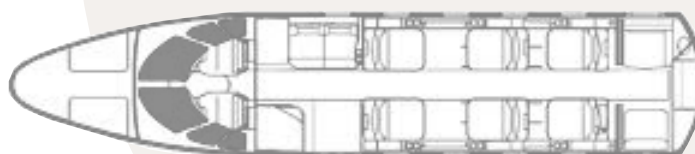

Divan

INTERIOR CABIN

The aircraft gives place for up to nine passengers by use of two club seat arrangements followed by two single seats all berthable plus one divan opposite to the entry door. This configuration allows for an additional basic galley including ample storage, a convection oven plus a hot liquid container as well as an aft lavatory including a belted seating area opposite the toilet allowing certified seating for take-off and landing.

The seating fabric is arranged in with classical Townsend Leather - Cloud Gray, with plating in Antique Silver. Cabin finishes are with Headliners in Pollack – Cool Gray, Sidewalls in Townsend Leather – Mediterranean in contrast to the carpet in Kalogridis – Night. Dividers in mirror chrome give the impression of extensiveness. Galley Finish, Extendable Table Tops and Sideledge Accent are in High Gloss Veneer - Walnut Swirl.

Floorplan
