

Our employees are our most valuable asset and we are looking for people who share our passion.

Our company stands for safety, experience and efficiency in the business aviation industry.

Due to the constant growth of our aircraft fleet, we are currently looking for qualified candidates to join our team in the following position:

SAFETY MANAGER (f/m/d)

Based in Vienna (remote working arrangements possible)

Job duties:

- Process and evaluate safety reports
- Investigate aviation occurrences, incidents and accidents
- Identify, analyze and monitor trends that may affect the safety of the operation
- Perform risk assessments, root cause analysis and safety recommendations
- Prepare and lead Safety Review Boards and Safety Action Groups, as applicable
- Maintain and further develop the Emergency Response Plan
- Maintain and further develop all means of internal safety communication

Your profile:

- **Prior experience** in the field of aviation safety (mandatory)
- **Prior experience** in working with IQSMS, especially reporting and risk management modules (highly desirable)
- Preferably experience in business aviation
- Preferably EASA ATPL or CPL/IR
- Solid computer skills, experience with MS Office
- Excellent English language skills
- German and/or other language skills
- High flexibility, very good organizational and co-ordination skills
- Ability to work diligently and independently, while keeping tight schedules
- The right to live and work in Austria

We offer:

An exciting opportunity to contribute to safe and professional flight operations within one of Europe's premier business aviation companies. Minimum annual gross salary is EUR 56.000,-, overpayment is possible depending on qualification and experience.

Candidates who meet our requirements are invited to send their application by email to jobs@ijm.at
